

CITY OF SAN RAMON  
**Flood Control, Creek Maintenance & Open Space Weed Abatement**  
RFI/QUESTION/ANSWER

1. Will there be a designated location for the selected contractor to stage/store equipment and materials within the City of San Ramon?

**Answer:** No

2. In Attachment C – Proposed Price Schedule under the ‘Creek Maintenance’ section, Norris Creek is broken out into section A and section B. However, under the section ‘Tulle Abatement’ Norris Creek is not broken down into an A and B section. We just want to confirm both portions should be quoted.

**Answer:** Both portions should be quoted.

3. In Attachment B – Scope of Services there are 4 Bioswales mentioned (1 Large, 1 Small, W-1 & W-2). However, Attachment C is only requesting pricing for 2 Bioswales (W-1 & W-2). Please confirm if we should be quoting all 4 or just the 2 mentioned in Attachment C.

**Answer:** Just the two mentioned in Attachment C.
