

SMALL WIRELESS FACILITY APPLICATION DECISION NOTICE

Application: Site License Application for a AT&T Wireless Facility (RUP 2021-0001 filed on September 30, 2021) in accordance with the City Council Resolution No. 2019-87

Applicant: Modus, LLC (c/o Caitlin McLester cmclester@modusllc.com)

Prop. Owner: City of San Ramon

Location: 12637 Alcosta Blvd. Public Right-of-Way

Project Description: AT&T Wireless requested an approval to install and operate a new small wireless facility within the public right-of-way of the 12600 block of Alcosta Blvd. The proposed wireless facility consists of an antenna within a shroud at the top of a new 30-ft. tall pole with associated equipment boxes at a minimum of 8-ft. above grade.

CEQA: The proposed project is classified as a Categorical Exemption pursuant to Section 15303 (New Construction of Small Structures) of the Guidelines for the California Environmental Quality Act of 1970, as amended.

The Community Development Director found that the above referenced Site License Application was consistent with the required findings of the City Council Policy on Small Wireless Facility and Other Infrastructure Deployments within the Public Rights-of-Way adopted on August 27, 2019 (Policy), and approved on November 1, 2021.

Any interested person or entity may appeal this decision to the City Manager with in 10 calendar day of this notice. An appeal shall be filed with the City Clerk with applicable fees by 5:00 p.m. on November 10, 2021

Posting Period:
November 1, 2021 to November 10, 2021
