As the daughter of a first-generation single parent, who graduated with a Master of Education and taught in a high-need school district for 30 years, I learned early in life to fight for a better future for my family and my community. That is why as a single parent of a childhood brain cancer survivor with lifelong disabilities, I decided to turn our hardships into solutions for my community.

When my daughter was diagnosed with cancer, I advocated tirelessly on her behalf against an unresponsive healthcare and education system. My determination to ensure her full recovery through my education in Neurobiology enabled my daughter to survive terminal cancer and to receive a strong education. Equally, I will dedicate myself to meeting our community's needs by maintaining an open-door policy with our residents and by consistently striving to identify areas of improvement and viable solutions.

As Director of Government Relations for the San Francisco Bay Hispanic Chamber of Commerce, I understand the economic challenges small businesses face and will support them during these unprecedented times. Moreover, with Chevron downsizing in San Ramon, we must create new, well-paying jobs in biotech, renewable and alternative energy, and other emerging industries that will drive economic growth and offer our residents an improved work-life balance.

My experience as a Bilingual Science Teacher, Health Promotion Officer, Patient-/Family-Centered Care Educator, and Disability and Women's Reproductive Health Advisory Board Member has underscored for me the value of having strong, diverse community programs that reflect San Ramon's varied needs, foster our resident's interests, and support our children's educational development. I will advocate for robust, accessible family and senior programs, increased walkability to key businesses, and connect non-motorized biking and pedestrian trails to reduce traffic and promote community health and well-being.

As Vice President of the Dublin San Ramon Services District, I applied my educational background in Molecular and Cell Biology from the University of California, Berkeley and in environmental advocacy as a Sierra Club San Francisco Bay Chapter Executive Committee Member to protect one of California's most valuable natural resources – water.

Now, as your City Councilmember, I will support Smart Cities to improve our quality of life, Smart Growth to prevent urban sprawl, and investment in renewable energy projects. In fact, as Co-Chair of a countywide Labor-Climate Task Force, I am already forging the path towards more green jobs.

**CODE OF FAIR CAMPAIGN PRACTICES**

(Elections Code § 20440)

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

- (1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties that merit this criticism.
- (2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.
- (3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on a candidate's actual or perceived race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age, sexual orientation, sex, including gender identity, or any other characteristic set forth in Section 12940 of the Government Code, or association with another person who has any of the actual or perceived characteristics set forth in Section 12940 of the Government Code.
- (4) I SHALL NOT USE OR PERMIT any dishonest or unethical practice that tends to corrupt or undermine our American system of free elections, or that hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.
- (5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.
- (6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group that resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics that I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.
- (7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of California or treasurer or chairperson of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.
