

The Preserve Project Activities (January – March 2022)

- Lennar has completed construction in Neighborhoods 1 (Highlands), 2 (Foothills), and 3 (Meadows). Homes are homeowner occupied. Lennar is continuing construction in Neighborhood 4 (Hillcrest/Ridgeview).
- Continued Sales Activity – Sales hours available on Lennar's Website <https://www.lennar.com/New-Homes/California/San-Francisco-Bay-Area/San-Ramon/The-Preserve>
- Continued installation of monuments, landscape, and irrigation along Faria Preserve Parkway, Bollinger Canyon Road, and Bollinger Canyon entry is ongoing.
- Continued installation of underground utilities and landscape within Neighborhood 4.
- Street light installation within Neighborhood 4 is complete.
- Installation of irrigation and landscaping in open space areas continuing to the north and south of Faria Preserve Parkway.
- Approximate 12.9-acre Community Park and 0.7-acre Rose Garden construction of underground utilities started in September 2019. Earthwork and above ground concrete work began Summer 2020, and all improvements will continue into 2022. Anticipate construction completion in Summer 2022.
- HOA Community Facility/Pool is complete and open for homeowner use.
- Radar Speed Detection Signs have been installed on eastbound Faria Preserve Parkway west of Omega Road and on southbound Bollinger Canyon Road north of Faria Preserve Parkway.
- Installation of new traffic signal at Faria Preserve Parkway (formerly Purdue Road)/San Ramon Valley Boulevard, and a signal modification at San Ramon Valley Boulevard/Deerwood Road/Fostoria Road is in progress and estimated completion is January/February 2022. Notices have been sent to adjoining commercial properties.
- Neighborhood 5 is being developed by Toll Brothers for residential purposes and will include multi-family residences and a house of worship. Construction began in April 2021 and includes grading, utility installation, and roadway construction. Home sales information can be found on Toll Brothers' Website: [New Homes for Sale in San Ramon, CA | Twin Oaks \(tollbrothers.com\)](https://www.tollbrothers.com/new-homes/san-ramon-ca)
- Two single-family residential lots on Faria Preserve Parkway at Bollinger Canyon Road underground utilities and grading are near complete by Lennar. Final development of these properties, including home construction, will be conducted by Claremont Homes.
- The 2.6-acre educational facility will be developed in the future as development plans are submitted to the City.
- Through the winter months (October – April), please be aware that stormwater maintenance/control for storm water management will be increasing in response to impending rain events. Hours of construction activity may extend beyond normal approved construction operating hours as storm water management is a State requirement and addressing storm events may require work outside the typical work hours (additional hours are reviewed and approved by the City). This work will include maintenance at the perimeter boundaries of the site.
