

CONSTRUCTION NOTICE – UPDATE
TRAFFIC SIGNAL WORK
SAN RAMON VALLEY BOULEVARD AT DEERWOOD ROAD

**The traffic signal work scheduled for 6/30/21
has been rescheduled to July 1, 2021**

On July 1, 2021, Lennar and their contractor, W. Bradley Electric, Inc., will be working on the traffic signal at the intersection of San Ramon Valley Boulevard and Deerwood Road. The work is part of the San Ramon Valley Boulevard roadway improvements that is currently in progress and are required as part of The Preserve development project by Lennar. The scope of this traffic signal work includes the installation of new conduit and placement of cable/wire for the City's traffic signal system and will require a temporary shut-down of the traffic signal between the anticipated hours of 6:00 a.m. and 12:00 p.m.

Message board signs have been placed to inform the public of this work and the City will be monitoring traffic control in the area.
