

VEGETATION MANAGEMENT NOTICE

“The Preserve” (Faria Preserve Property)

Dear Neighbor,

You are receiving this notice because your home is adjacent to the subject area or because you are a homeowner at The Preserve and should be aware that Lennar is planning annual vegetation management in conformance with the requirements of the San Ramon Valley Fire Protection District (District). *Vegetative management for fire prevention is an essential service and operations will be conducted in accordance with County and Fire District requirements.*

This year, Lennar will be using mechanical equipment and work crews to reduce the vegetation in a 100'-wide area along the perimeter of the property with occasional fire break's throughout the open space area. The vegetation management is scheduled to begin May 8th and is anticipated to be completed by May 31st.

If you have questions regarding this vegetation management, please contact:
