ENGINEERING SERVICES FEES**

The GHAD fees and charges shall be the same as those established by the City of San Ramon for all similar services except as otherwise detailed in this Schedule of Fee and Charges.

A plan checking and inspection fee will be assessed for all projects that require plan reviews and/or inspections related to GHAD facilities, including toe-drains and sub-drains. This fee shall apply to all retaining wall and swimming pools, new building and building additions and any projects that require a grading permit and impact GHAD facilities. It may also apply to other projects that involve earthwork, trenching or construction of below ground elements that potentially impact GHAD facilities.

Non-routine projects that require in excess of four (4) hours of staff time (two [2] hours staff review + two [2] hours inspection) may be assessed charges based on the actual staff time required to review the project. The deposit amount collected is subject to the discretion of the District Engineer.

For all parcels within the GHAD, the Routine and Non-Routine Building Permit Review fees shall be in lieu of the Engineering Services Department Building Review Fee.

Special projects including Annexation Agreements, Engineers Report, Revisions to the Plan of Control and Request for Other Services will be assessed a minimum fee of \$1,000.00 plus \$80.00/Hr for additional staff hours in excess of the minimum fee based on actual staff time required to review the project. The consultant fees will be the actual of the consultant services plus an administrative fee.

DESCRIPTION OF SERVICE	APPROVED FEE

ENGINEERING SERVICES FEES**

A Site Development Permit shall be required for the plan check and inspection of all construction sites, improvements of non-residential and residential developments, including grading and drainage improvements, street and related frontage improvements, parking lot improvements, landscaping, and other related site improvements. The fee shall cover plan check and inspection services.

The Site Development Permit shall serve as a grading permit, an erosion and sedimentation control permit, parking lot construction permit, and encroachment permit for curb gutter, driveway and sidewalk improvements, which are authorized by the Municipal Code.

An Erosion and Sedimentation Control Plan shall be required for all projects for which a site development permit has been issued and for which construction activity commences prior to April 15, or extends in an incomplete state (including lack of landscaping) beyond October 15.

A Drainage Permit shall be required for all projects that may change the hydraulic characteristics watercourses and drainage facilities, or are located within an easement dedicated for such purposes.

A building permit review fee will be required for all building permit applications requiring Engineering review, and will be collected by the Building Division at the time of application submittal. Building Permit Reviews within the Geologic Hazard Abatement District 1990-01 (GHAD) will be charged the applicable GHAD Building Permit Review fees.

**PARKS & COMMUNITY SERVICES  
TRANSACTION FEES – FACILITY DEPOSITS**

Fees for participating in classes, programs, activities and events shall be based upon;

- Competing fee in other cities, recreation districts, and colleges; and
- Session length and length of class time per meeting; and
- Class enrollment statistics regarding an activity and the fees that were charged for that activity; and
- Financial need of the instructor; and
- The cost to the City for providing such services; and
- City Council direction on recovered costs; and
- Subsidized programs at the Alcosta Senior and Community Center for individuals ages 55+ to encourage participation in activities that promote healthy lifestyles; and
- Discounted rates for adults ages 65+ in the areas of aquatics and cultural arts to encourage continued participation; and
- Discounts may be offered as incentives to increase program participation, facility rentals, and revenue; and
- Department will maintain a scholarship program to address the needs of residents who may not be able to afford programs; and
- The value and benefit of such services to the San Ramon Community

Fees for facilities and park rentals are reviewed and approved by the Parks and Community Services Commission at public meetings.

**TRANSACTION FEES**
